

Home Page Content Requirements

Route: / — Digital Portal Gateway & Business Network Showcase

1. Executive Overview

The Home Page is the primary public entry point of the EMBTA digital portal. It introduces the association, highlights the 4 operational wings, displays institutional core values, and features dynamic previews of news bulletins and media gallery assets. All demo text and metric placeholders must be replaced with authorized data.

2. Required Details Checklist & File Mapping

Item to Provide	Current Code Placeholder	Required Real Information	File to Update	Status
Official Motto & Slogan	"Combine, Syndicate a Trust"	Confirm or replace with the official ratified motto of the association.	src/data/siteConfig.ts	[] Pending
Gazette Ticker Announcement	Welcome to the official digital portal...	High-priority alert / announcement banner text displayed at top of portal.	src/pages/HomePage.tsx	[] Pending
Foundational Year (ESTD)	ESTD. 2022 / [Established Year]	Exact year of official incorporation/formal inauguration.	src/data/siteConfig.ts	[] Pending
Hero Headline & Narrative	"Connecting Businesses. Strengthening Communities."	Authoritative introductory summary paragraph describing EMBTA's mission and scope.	src/data/siteConfig.ts	[] Pending
Key Statistics & Metrics	4 Key Wings, Regional Apex, 2022	Verified operational metrics: e.g. Number of registered merchant members, fleet vehicles, or active market hubs.	src/pages/HomePage.tsx	[] Pending
4 Operational Wings Details	TMG, TLW, TFW, ESW	Confirm or update titles, descriptions, and designated wing convenors/coordinators.	src/data/siteConfig.ts	[] Pending
Welcome to EMBTA Address	General narrative	Official statement from the President / Executive Council welcoming visitors.	src/pages/HomePage.tsx	[] Pending
4 Institutional Core Values	Trust, Unity, Advocacy, Development	Formal confirmation of the 4 constitutional pillars of association practice.	src/data/siteConfig.ts	[] Pending

3. Technical Instruction for Webmaster

Open src/data/siteConfig.ts and update the respective string properties. For structural updates to the hero metric counters, modify the metric card elements in src/pages/HomePage.tsx.
